Miss Fannie.

Dearest Friend

In answer to yours of today  
will say I was glad to hear  
from you and know you stood  
your trip all right.

and I truly hope you had a  
pleasant trip. I did not get up  
in time to go to Mr. Neill if I  
had I would have come up to see  
you on your way to Texas.

I think you must be joking about  
saying you would not get sorry if I  
had been with you on your trip.  
are you not I wish I could have gone  
with you, but could not under  
over.
